Conference Support

Information Personnel

*The San Diego Convention Center is world-renowned for its total customer service philosophy. When it comes to making successful events happen, our Convention Staffing Services Team is the best in the business at ensuring your attendees and exhibitors feel welcome and are well cared for. When you need assistance with **registration, clerical support, room monitoring, cashiering or other temporary staffing**, our knowledgeable team of professionals will not only meet, but exceed your expectations.*

THE SAN DIEGO ADVANTAGE

- San Diego Convention Center Employees
- Picture ID Badged
- Professional, uniformly dressed
- Insured, drug tested and background checked
- Knowledgeable about the San Diego Convention Center
- Emergency Preparedness trained
- Multi-lingual to assist International attendees
- Familiar with San Diego as a destination

SERVICES

We welcome the opportunity to submit a customized proposal to meet your specific needs.

We offer competitive pricing and a team of highly trained 'convention specialists.'

*"The Convention Services Staffing department were delightful to work with. They were **competent, energetic, cheerful and most importantly professional** through some long, hard days of work. They really are ambassadors for the city and were very helpful to the ATS staff and attendees alike."*

Heidi Bechtold, CMP
Manager, Meeting Services
American Thoracic Society
New York, New York
