Discover the Award-Winning San Diego Convention Center

We are proud to be celebrating our 30th anniversary as the region's premier gathering place. Since opening our doors in 1989, our team's top priority is always to provide outstanding customer service so you'll want to come to San Diego over and over again. Located along San Diego Bay, we offer flexible exhibit and meeting space in a walkable destination with year-round appeal.

LOCATION

The San Diego Convention Center is favorably located within a mile and a half of nearly 14,000 first-class hotel rooms and is just 10 minutes from the San Diego International Airport. Within

easy walking distance are hundreds of unique restaurants, shops, city parks, museums and attractions. Before or after meetings, attendees can stroll to the lively Gaslamp Quarter, Seaport Village, The Headquarters shopping district, the historic USS Midway Museum and Petco Park, home to the San Diego Padres. Getting around the rest of town is also simple with taxis, buses, rental cars and the Trolley, San Diego's light rail system linking downtown, Old Town and Mission Valley to the convention center. You can even rent a bike or scooter and see the sites on two wheels.

FEATURES

The building's architectural centerpiece is a white Teflon-covered 90,000 sq. ft. Sails Pavilion that provides an open-air feel. The exhibit space recently underwent a complete renovation and now allows for meeting planners to customize lighting of the iconic Sails Pavilion roof.

The glass-enclosed meeting space features an industry standard trade show floor, high-tech lighting and a cooling and heating system for maximum comfort year-round. The column-free space is equipped for a variety of events, from trade shows and receptions to banquets and galas.

The Sails Pavilion is flanked by two ballroom foyers that provide excellent prefunction space. Receptions, coffee breaks and registration activities can take place throughout these areas. Adjacent to the foyers are two ballrooms, each with over 40,000 sq. ft. Designed for maximum flexibility, both ballrooms can be easily divided into smaller sections. Many of our 72 multi-function meeting rooms are accessible via glass corridors. Several meeting rooms open out to expansive terraces overlooking the San Diego Bay, the perfect place for attendees to soak up San Diego's year-round sunshine. The Sails Pavilion is also conveniently accessible to meeting rooms.

SPACE

Our waterfront facility features 2.6 million gross sq. ft. with 615,701 sq. ft. of exhibit space and 204,114 sq. ft. of meeting space including two 40,000 sq. ft. ballrooms. The center is home to 284,494 sq. ft. of prefunction, lobby and

registration areas, as well as 184,514 sq. ft. of outdoor terrace space. Ultimate flexibility is offered for groups of any size. More than a half million sq. ft. of contiguous exhibit space is divisible into seven halls of varying sizes. Fifty loading docks offer convenient access to exhibit halls.

SERVICE

Renowned for our impeccable, high-quality service levels and experienced, award-winning staff, the convention center has a business model that provides seamless customer service from the initial planning stages to the conclusion of an event. From housekeepers and

groundskeepers, to event managers, concierge staff and convention services managers, our center's team has a special operating philosophy; When somebody enters our doors, they become an honored guest. This can-do attitude ensures successful events and keeps meeting planners coming back to our center again and again.

FACILITY OVERVIEW

GRAND LOBBY/
PREFUNCTION

Step inside the San Diego Convention Center and you're walking into an iconic architectural wonder. Translucent, barrel-vaulted glass skylights offer panoramic views of downtown San Diego. With 75,756 sq. ft. of space, it makes for an ideal, convenient registration area. Digital signage will be offered to customers in four key places in our lobby beginning Summer 2019.

EXHIBIT HALLS

The exhibit halls offer 525,701 sq. ft. of ground floor contiguous exhibit space. The main hall is divisible into seven halls, each of varying size. Streamlined columns provide column-free space in selected halls. Additionally, there are 50 loading docks, eight offering direct drive-on access.

BALLROOMS

Two 40,000 sq. ft. ballrooms provide ample room for all your needs. The perfect combination of understated elegance and practical functionality, both ballrooms can accommodate larger general sessions or banquets, or can be divided into smaller rooms for any type of function.

MEETING ROOMS

The building offers over 204,000 sq. ft. of meeting space in 72 meeting rooms located on the mezzanine level and third level of the building. Most of the meeting room corridors have glass vaulted ceilings, bathed in natural sunlight and provide easy access to and from other areas of the building.

OUTDOOR TERRACES

With sunshine year-round, the terraces and outdoor mezzanine levels showcase San Diego's beautiful weather. Dramatic views of San Diego Bay and the Coronado Bridge make the terraces the perfect backdrop for any special event. The area features an observation deck and illuminated skywalk. With 184,514 sq. ft., there's ample room for both small and large functions.

SAILS PAVILION

Considered the building's most iconic space, the Sails Pavilion offers 90,000 sq. ft. of sweeping views of the city and bay. Glass-enclosed with an industry standard tradeshow floor, the area is flexible for any type of event activity ranging from upscale receptions to exhibits. The newest enhancement and upgrade to the Sails Pavilion includes the option to customize LED colored lighting that is visible both inside and outside, illuminating the San Diego skyline and waterfront.

ILLUMINATE SAN DIEGO'S SKYLINE

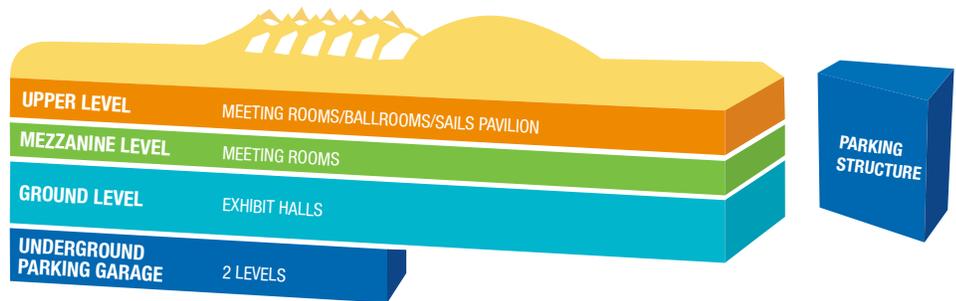

The San Diego Convention Center is pleased to offer a new amenity to customize and personalize events in a way never-before offered: LED Lighting of our iconic Sails Pavilion.

The newest enhancement and upgrade to our 90,000 square-foot exhibit space includes the option to customize lighting that is visible both inside and outside, illuminating the San Diego skyline and waterfront.

- Any client that has a “full-facility” contract will be able to select one color of their choice to light up the Sails each evening of the contracted event days. This will be complimentary during any four-hour block of time of their choosing (ending at midnight) to showcase the color that best represents a specific event. This is our way of saying “Thank you” for bringing your business to the San Diego Convention Center.
- Any client that contracts a “portion” of space in the Center, could receive one color for a “single” contracted event day (or possibly the night before) of their choosing for four hours (ending at midnight). This will be on a first come, first serve basis if the Sails Pavilion has not been contracted.
- If there is a desire to create a “one-of-a-kind” lighting event, then consider working with our lighting designer to help develop a Special Program/Light Customization.
 - Customization Includes:
 - + Client consultation and informational meeting on LED capabilities
 - + Custom light show design and test
 - + Pre-Show video presentation and final customization
 - + Showtime remote monitoring for a seamless lighting show rollout

Contact your Event Manager to reserve your color choice or get started on your customization adventure.
