Discover the Award-Winning San Diego Convention Center

We are proud to be the region's premier gathering place. Since opening our doors in 1989, our team's top priority is to provide outstanding customer service so you'll want to come to San Diego over and over again.

LOCATION

The San Diego Convention Center is favorably located within walking distance of over 13,000 first-class hotel rooms and is just 10 minutes from the San Diego International Airport. Also within easy walking distance are hundreds of unique restaurants, shops, parks and attractions. Before or after meetings, attendees can stroll to the lively Gaslamp Quarter, Seaport Village, The Headquarters shopping district, the historic USS Midway Museum and Petco Park, home to the San Diego Padres. Getting around the rest of town is simple with many convenient transit options.

SPACE

Our waterfront facility features 2.6 million gross sq. ft. with 615,701 sq. ft. of exhibit space and 204,114 sq. ft. of meeting space including two 40,000 sq. ft. ballrooms. The Center is home to 284,494 sq. ft. of pre-function, lobby and registration space, as well as 184,514 sq. ft. of outdoor terrace space. Ultimate flexibility is offered for groups of any size. More than a half million sq. ft. of contiguous exhibit space is divisible into seven halls of varying sizes. Fifty loading docks offer convenient access to exhibit halls.

FEATURES

The building's architectural centerpiece is a 90,000 sq. ft. Sails Pavilion that provides an open-air feel. The exhibit space allows for meeting planners to customize lighting of the iconic Sails Pavilion roof. The glass-enclosed meeting space features an industry standard trade show floor, high-tech lighting and a cooling and heating system for maximum comfort year-round.

The column-free space is equipped for a variety of events, from trade shows and receptions to banquets and galas.

The Sails Pavilion is flanked by two ballroom foyers that provide excellent pre-function space for receptions, coffee breaks and registration activities. The ballrooms themselves each offer over 40,000 sq. ft. and can easily be divided into smaller sections, designed for maximum flexibility. Many of our 72 multi-function meeting rooms are accessible via glass corridors. Several meeting rooms open out to expansive terraces overlooking the San Diego Bay, the perfect place for attendees to soak up San Diego's year-round sunshine.

SERVICE

Renowned for our impeccable, high-quality service levels and experienced, award-winning staff, the Convention Center provides seamless customer service from the initial planning stages to the conclusion of an event. From housekeepers and groundskeepers, to event managers, concierge staff and convention services managers, our Center's team has a special operating philosophy; each person who enters our doors becomes an honored guest. This can-do attitude ensures successful events and keeps meeting planners coming back to our center again and again.

FACILITY OVERVIEW

LOBBY & PREFUNCTION SPACE

Enter the San Diego Convention Center and you're walking into an iconic architectural wonder. Translucent, barrel-vaulted glass skylights offer panoramic views of downtown San Diego. With 75,756 sq. ft. of space, it makes for an ideal, convenient registration with customizable digital signage. Digital signage is now offered to customers in locations throughout our lobby.

EXHIBIT HALLS

The exhibit halls offer 525,701 sq. ft. of contiguous exhibit space on the ground floor. The main hall is divisible into seven halls, each of varying size. Streamlined columns provide column-free space in selected halls. Additionally, there are 50 loading docks, eight offering direct drive-on access.

BALLROOMS

Two 40,000 sq. ft. ballrooms provide ample room for all your needs. The perfect combination of understated elegance and practical functionality, both ballrooms can accommodate larger general sessions or banquets, or can be divided into smaller rooms for any type of function.

MEETING ROOMS

The building offers over 204,000 sq. ft. of meeting space in 72 meeting rooms located on the upper and mezzanine levels of the building. Many of the meeting room corridors have glass vaulted ceilings, and provide easy access to and from other areas of the building.

OUTDOOR TERRACES

With sunshine year-round, the terraces and outdoor mezzanine levels showcase San Diego's beautiful weather. Dramatic views of San Diego Bay and the Coronado Bridge make the terraces the perfect backdrop for any special event. The area features an observation deck and illuminated skywalk. With 184,514 sq. ft., there's ample room for both small and large functions.

SAILS PAVILION

Considered the building's most iconic space, the Sails Pavilion offers 90,000 sq. ft. with sweeping views of the city and bay. Glass-enclosed with an industry standard tradeshow floor, the area is flexible for any type of event activity ranging from upscale receptions to exhibits. The newest enhancement and upgrade to the Sails Pavilion includes the option to customize LED colored lighting that is visible both inside and outside, illuminating the San Diego skyline.

ILLUMINATE SAN DIEGO'S SKYLINE

The San Diego Convention Center is pleased to offer the amenity to customize and personalize events in a way spectacular: LED lighting of our iconic Sails Pavilion.

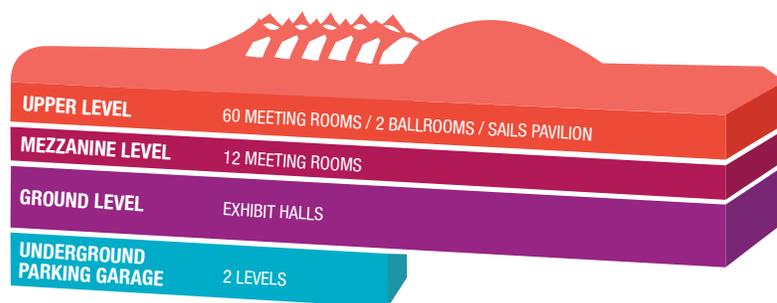

- Any client that has a “full-facility” contract can select one color of their choice to light up the Sails each evening of the contracted event days. This will be complimentary during any four-hour block of time of their choosing (ending at midnight) to showcase the color that best represents a specific event. This is our way of saying thank you for bringing your business to the San Diego Convention Center.
- Any client that contracts a “portion” of space in the Center, could receive one color for a single contracted event day of their choosing for four hours (ending at midnight). This will be on a first-come, first-serve basis if the Sails Pavilion has not been contracted.
- If there is a desire to create a one-of-a-kind lighting event, then consider working with our lighting designer to help develop a special program/light customization.

Customization Includes:

- + Consultation and informational meeting on LED capabilities
- + Custom light show design and test
- + Pre-Show video presentation and final customization
- + Showtime remote monitoring for a seamless lighting show rollout

SAN DIEGO CONVENTION CENTER GREEN MEETINGS

The San Diego Convention Center has been a proud industry leader in sustainability for decades. Our practices are recognized for going above and beyond when it comes to environmental responsibility at our venue. We are certified LEED Gold for Operations and Maintenance by the U.S. Green Building Council. In 2018, we achieved Level Three certification to the APEX/ASTM Environmentally Sustainable Event Standards.

sustainability

1,241 TONS OF MATERIALS
were recycled in Fiscal Year 2019.

RECYCLING SORTER

We sort all waste generated on-site with our industrial sorter. This allows us to separate out all paper, metals, mixed plastics and many more types of materials.

100% of cardboard that comes into our facility is recycled.

4-STREAM

We have 4-stream waste receptacles throughout the building so attendees can recycle as well. The four streams are paper, recyclables, trash and compost.

PURCHASING

We are environmentally-responsible with the products we purchase including paper towels, tissues, toilet paper, cleaning products, cutlery, plates, and more. All of our in-house contractors are required to adhere to the same practices.

ENERGY EFFICIENT

Our entire facility uses LED light fixtures. Using LED lights saves on electricity and we estimate that the bulbs paid for themselves in less than two years.

DONATIONS

When food is prepared but not served, we donate it to the San Diego Rescue Mission.

80 TONS OF FOOD

was donated in Fiscal Year 2019.

That's enough to plate

127,000 MEALS

Another big part of our donation program is providing convention items that can be used by local organizations. One example is partnering with Habitat for Humanity to provide materials they can use to build houses. With effective coordination, our team can ensure that meeting planners and exhibitors are able to donate excess items and materials.

COMPOSTING

We compost all non-edible food. Our kitchens do not have garbage disposals so no food scraps are wasted.

For more information on our sustainability practices, contact our Director of Facility & Environmental Services at Donald.Bottger@visitsandiego.com
