

Addendum 2
To RFP 23-1012 for Waste Containers, Liners and Signage
Revisions and Clarifications

Issued on July 29, 2022

RFI #	Question/RFI	Answer/Clarification
1.	My team does not have a credit application on file for the Convention Center. Are we able to collect a credit application from your team so my team can determine if we might require a deposit for the order should we win the bid? If the plan is to prepay the order or use a credit card, we can forgo a credit application. Can you please advise?	Payment terms are Net 30 after SDCCC receives the products. If Bidder has any credit application requirements, please list them under the Exclusions and Clarifications section of the Bid Form. SDCCC will complete a credit application with the Bidder that is recommended for contract award if required by Bidder.
